UX/UI Design
Branding
Animation/Motion Graphics
Video Editing
HTML Emails
HTML & CSS

INTRODUCTION

I started my design career fresh out of uni as a freelance graphic designer getting work from people I knew, whilst helping a family friend renovate their house. This soon developed into a steady stream of work and became full time until 2014 when I became employed as a digital designer for a marketing agency. I stayed there for four years and learnt a lot about the industry and developed lots of skills, especially in the digital side. I'm now a Senior Designer and head up the design team as well as managing the work coming in and going out of the studio. We cover both print and digital but digital is still my passion and over the last few years I have further developed my skills from HTML emails and Wordpress powered websites to animation and motion graphics.

EXPERIENCE

Stream Ltd - Senior Designer & Creative Lead
November 2018 - Present

As well as being one of the designers at Stream, my role also includes heading up the design team, distributing the work coming in and maintaining the quality of work leaving the studio. We produce both print and digital work for clients such as Continental Tyres, Renault Trucks, Benromach Whisky and Red Door Gin.

DML Marketing - Digital Designer
August 2014 - November 2018

All things digital (and sometimes print) from HTML emails, websites, UX/UI design, animation and motion graphics for clients such as Nokia, British Gas, Virgin, RICS, Rolls-Royce as well as other smaller companies and sole traders.

ABA Design - Freelance Graphic Designer
January - August 2014

Freelancing at ABA Design for 3 days a week working with clients such as Novae, Cranfield, Tysers, CIFS and Oasis Trust.

S17 Design - Graphic Designer
2009 - 2014

I started trading as S17 Design in 2009 initially working with personal contacts and with a client transfer from ABA Design. The client base grew steadily with a wide variety of commercial ventures from other sole traders to larger corporate companies.

ABOUT ME

When not working, I enjoy keeping fit, spending time with my family (I have a wife and little girl) and cooking a mean steak! I play hockey for Wycombe 1st team and as the oldest player, have recently worked out that most of the team are closer in age to my eldest daughter than me! (She's only just three!). I love being outdoors, especially in the mountains, and hope to complete the Welsh 15 Peak Challenge again soon.
